Subject: Well NBU#6-W23 (OS6273.085 formerly OS0148) Passes Technical Review

Jessica/David,

We have reviewed the Application Packet for Well NBU#6-W23 (OS6273.085 formerly OS0148). It has passed the technical review and is added to the Chaparral area permit. There was an MIT submitted with it from 11/05/2014 conducted by Larry Stephens. Can you confirm MIT and check if there any other enforcement actions associated with this well?
